## SCAVENGER HUNT

@mrsemilynorris

Can you spot these things?

- two different types of leaves
  - a stick you can use as a walking stick
  - something symmetrical
  - a water source
  - a squirrel scurrying up a tree
  - two similar stones
  - a yellow flower
  - a strange smell (what is it?)
  - birds singing
  - mushrooms growing on a tree or log
  - a flower that is smaller than your thumbnail
  - an insect crawling on a plant
-
